

B2B-Meetings

at Automotive Transformation Conference 2026

Date

22.9.2026, 9:30-12:00
(Registration starts at 9:00)

The conference takes place from 22.- 23.9.2026.

Location

Kunstuniversität,
Hauptplatz Linz

The **Matchmaking Event** is an important part of the **Automotive Transformation Conference**.

Get more from your visit at the Automotive Transformation Conference:

Are you looking for opportunities for technological, research and business collaboration in the fields of **automotive, mobility, engineering and manufacturing, or IT solutions**? Then take this chance to network with leading companies and research institutions!

- Publish & showcase your products, services and needs to interested conference exhibitors and visitors
- Explore common areas of interest and foster potential cooperations

This event will gather the entire automotive ecosystem from **Austria, Germany, Italy, Czech Republic, Slovakia, Hungary and Slovenia** in two days and at one location.

Meet and collaborate with like-minded professionals throughout your stay in Linz. The **scheduled face-to-face meetings** offer an ideal opportunity to identify potential cooperation partners and to establish interesting business contacts. Every participant selects their conversation partners individually and has 15 minutes to exchange about projects, services and products.
